Lakeside at Rocky Crest Amenities Cover Gamut From Fitness to Spa to Entertainment

As if fully furnished vacation homes in Muskoka and an incredible golf experience weren't enough, Lakeside at Rocky Crest offers much more to enjoy with a lavish range of amenities to entertain and energize the whole family.

Or you could just relax by the pool or lake enjoying warm sunshine and the sound of lapping waves.

The Lake Joseph Pavilion, with a cabana and outdoor pool, is the perfect place for family and friends to spend a hot, sunny afternoon. Light snacks and thirst-quenching beverages help make for a perfect day of rest and relaxation.

If it's indoor exercise you crave, the three-storey Lakeside Reception Fitness and Spa will provide state-of-the-art fitness equipment, a yoga room, individual men's and women's steam and change rooms, showers, lockers, a co-ed sauna, indoor hot tub and spa, plus a billiards room, and an entertainment room with TV and lounge seating.

With access to Armishaw Lake, The Armishaw Sports Club entertains and accommodates the entire family with its full range of activities. Tennis, beach volleyball and even skating during the winter months make this a four-season fun spot. Fire pits with seating, trails to and around Armishaw Lake, and a playground area add to the excitement.

If you have a tee time, or desire a short getaway, there's a supervised activity centre for children, and a wading pool for the youngsters. And, older children will love the Seguin Family Centre with its games room and private movie theatre.

There's also a shuttle service to the golf course, docks on Lake Joseph for day use with lounge chairs, canoes, kayaks and paddleboats, plus numerous water features including running brooks with seating areas and gazebos throughout the community.

And when winter arrives, there's cross-country skiing and skating to be enjoyed with the reward of sitting in front of a roaring fireplace.

For all four seasons, Lakeside at Rocky Crest provides all the fun—as well as all the relaxation—that you could want.
